CARIBOU BOG OUTDOOR CENTER TRAILHEAD PARKING

Notes:

Thanks to the **Penobscot Valley Ski Club** for providing funding & equipment for the ski trail grooming. Thanks to the **Orono Land Trust** for building and maintaining the trails & trail infrastructure. Thanks to the **Orono Economic Development Corp.** for their role in renovating the Caribou Bog Outdoor Center building. Thanks also to our **VOLUNTEERS** that work on the trails and groom the trails all winter long!

Groomed trails are for skiers and snowshoers only, with the exception of Multiuse Trails which are open to other users. The groomed trails are occasionally closed when use will damage the trail surface. To check on trail conditions, please check the Caribou Bog Cross Country Skiers Facebook Page. Your cooperation is appreciated.

The Caribou Bog Outdoor Center provides a warm building for changing, taking a break, and a bathroom. Details can be found on the Facebook page.

Projection: Maine Coordinate System of 1983, East Zone
Date: October 25, 2023

Map drafted by Plisga & Day Land Surveyors
